

# IMPORTANT SEASONAL REMINDERS

## Snow Regulation Ordinances Will be Strictly Enforced!

**All Village Streets have restricted parking from November 1<sup>st</sup> to April 15<sup>th</sup> from 3:00 am to 6:00 am on Whispering Hills Dr. Please Respect Posted Regulations**

Portions of some Whispering Hills driveways are designated as "SNOW ZONES". Parking in a designated "SNOW ZONE" is not permitted from the time a snow fall exceeds one (1) inch until eight (8) hours after the snow stops falling.

SNOW ZONES are located at the end of sections: **1800 • 1900 • 3100 • 3300 • 3600 • 4000 • 4200**. Additionally, the traffic circle at 1900/2000 is a Snow Zone and in section 3400, between 3411 and 3413, **there are two (2) parking spaces marked "SNOW ZONE"**.

In all driveways, please cooperate with the snow removal crews...they are there to help you. When the plows are in your area, please temporarily move your vehicle to allow efficient removal of snow.

**Do Not Attempt to Pass Snowplows:** This can be very dangerous. Please be patient and courteous to ensure the safety of all concerned.

**Do Not Allow Children To Play In Piles of Snow Left by Plowing:** Other plows could crush or bury children playing in the snow, never seeing them.

**Do Not Back Vehicles Into Garages:** or allow vehicles to warm up in the garage, even if the garage door is open. Residents live above all garages. **Carbon Monoxide is Deadly!**

Please keep your garage door closed to conserve heat. The cold settles in walls and may freeze pipes even after the door is closed.

The use of garages in any manner that threatens the safety of occupants, or the building itself, or is disturbing to, or reasonably creates a nuisance for, any resident homeowner, or in such a manner that is injurious to the reputation or safety of the community is prohibited. Additionally, such use may violate building and fire safety codes.

**Dryer Vents:** should be cleaned regularly. Clogged vents can damage your dryer and are a potential fire hazard.

**Disposal of Christmas Trees:** Please do not leave your used Christmas Tree at the dumpers. Please bring your Christmas Tree to the cul-de-sac located at the end of Whispering Hills Drive. Please place the Christmas Tree on the grassy area at the end of the cul-de-sac.

**★ ★ ★ Pooper Scooper rules are in effect year-round...you must clean up after your pet ★ ★ ★**
