

Whispering Hills Parking Program

The Whispering Hills Parking Program continues to be a positive solution toward controlling the availability of parking for all Whispering Hills residents. The Board of Directors is always interested in the needs and concerns of residents of the community, and, after reviewing the various complaints and suggestions received last year, the Board decided to interview other companies. Effective immediately, the new towing company is:

Budget II Towing
81 Black Meadow Road, Chester, NY
Phone: 845-469-2852

Budget Towing II will monitor and remove vehicles parked on Whispering Hill's property that do not properly display a Whispering Hills parking permit or who violate other parking regulations.

Enforcement by towing is necessary due to the reluctance of some residents and visitors who neglect to follow the parking regulations the community. Parking regulations are necessary to sustain a safe and accessible community for all. **Only vehicles in violation of parking regulations will be towed.** Please respect the community regulations. If you are unsure of the current regulations, you may request a copy from the office.

- ❖ **Simply stated: Vehicles parked on Whispering Hills property, whether owned by people living here, or people working and/or visiting, must properly display a valid Whispering Hills Parking Permit or they are subject to Towing.**
- ❖ Regardless of any parking permit, you may not block or obstruct any mailbox, dumpster, fire hydrant, fire zone, walkway or garage. You may only park in a designated parking area or space. Vehicles parked in other than designated parking spaces are subject to towing.
- ❖ If your vehicle is towed, Budget Towing II is located at 81 Black Meadow Road in the Town of Chester. Directions to Budget II Towing are posted on the outside and inside of both Clubhouses.
